

## Your organization can make a difference in the lives of hospitality workers by joining as a FairHotel Partner

FairHotel Organizational Partners prefer socially responsible hotels, and take care to avoid labor disputes including picket lines, strikes and boycotts. As a FairHotel Organizational Partner your organization will help create jobs that sustain families and communities in your destination cities by staying at union properties.

Netroots Nation, the Union of Concerned Scientists, Interfaith Worker Justice, the PICO National Network, Fair Trade America and the Democratic National Committee are just some of our FairHotel partners.

### What does your organization need to do to be a FairHotel Partner?

- Fair Hotel partners commit to prioritizing union hotels wherever they are available, while avoiding hotels that have current labor disputes or boycotts (all available online: <http://www.fairhotel.org/boycott-list>)

*\*This is non-restrictive in the sense that if you have a conference that needs to be in TN but we don't have hotels there it doesn't prevent you from becoming a partner. Or if, for example, you have a very large conference in Baltimore, and are thus forced to use a mix of union and non-union properties, that would not prevent you from being a partner. Partners would not however go somewhere where union hotels of the right size and facilities are available and not use them.*

- Partners also add our model protective contract language (<http://www.fairhotel.org/model-protective-language>) to their event contracts to protect events from unexpected labor disputes and strikes. This additional clause in your force majeure/Acts of God language can allow you to relocate in the event of a labor dispute without incurring cancellation fees so that you do not have to cross a picket line.
- Finally, we encourage partners to reach out to us before booking for the most up-to-date labor forecast and to discuss their venues, particularly since labor relations change over time, and conferences are booked well in advance. We can be reached at [fairhotel@unitehere.org](mailto:fairhotel@unitehere.org) or 844-500-5799.

All of our hotels are listed online at <http://www.fairhotel.org/hotels-search> and can be searched by state/province as well: <http://www.fairhotel.org/hotels-search/states>. We represent over 900 hotels across the US and Canada including hotels and casino resorts from all the major brands, along with independent and boutique hotels.

There are no fees or dues of any kinds associated with participating in FairHotel.

You can sign-up online at <http://www.fairhotel.org/sign-fairhotel-partner>

The FairHotel program is sponsored by UNITE HERE – the hotel, hospitality and food service workers' union. We represent 270,000 workers across the US and Canada.
