NEEDS

What you NEED at this point in your work, small or large?

- CARYN ROSEN ADELMAN, CHGO2: New living environments esp in senior living
- KATIE VOGEL CINCYNATI19-WHP: 2) I need a stronger tribe of yidden who are working on adjacent issues.
- AARON LERNER, WGF 22: NEED: matching solar power grant
- SANDRA CURTIS: Need - business alternatives with safer products
- RABBI LIZ P.G. HIRSCH WGF 23: I need to find more concrete projects and policies to support, through this network!
- AARON LEVINE, WHP SEATTLE '19: Looking to move from science to action
- JERICHO VINCENT(THEY)WGF33: Needs: Connecting to others working on spiritual resources and the climate crisis. Also: branding people to come up with a better term for the crisis.
- CAROLE CAPLAN-SOSIN: Need: wanting to work with people addressing climate despair
- FRED SCHERLINDER DOBB: I NEED more connections, ideas, and resources...
- BRACHA HALAF 2017: Now I'm raising a climate tech fund and need investors who are about climate change
- STEVE MORITZ - WHP PITTSBURGH 07: need better access to data sources of technology and funding sources
- ZVI TSORAN: I need more collaborations and ideas
- MIKE GILDESGAME, BOSTON WHP: Need political leaders who want to help!
- LISA COLTON (SEATTLE 19, SHE/HER): Need places to contribute my energy to move the needle.
- JODI M/WHP ATLANTA 05: Need: real estate for a retreat facility
- DAVE YEDID, WGF 31: 2) I need a group to hold grief and anger, and thought partners.
- DAVID ARFIN: Want: more talent focused on addressing the problem and creating market-based solutions where possible.
- RICH SORKIN: 2. need - professionally - better understanding and access to broad range of global requirements. Personally - a sense of hope that there's a better future to be created than the path the world is currently on.
- ALIT WIEL-SHAFRAN WIF 29: need to get the regulator on board
- KEREN ZEFANIA: need help of partners
- ARIANA SILVERMAN, WGF 16 (SHE/HER): 2) Mentorship on how to do that.
- ILAN CAPLAN-WHF 14: 2) effective policies to promote/incentivize more clean energy solutions built on education
- SHONY GOLDBERGER: Low Emission Zone in Jerusalem...
- YOSSI: NEED: a little more funding (donation) for Bedouin first school, and a little bit more impact investment (\$200k or so in chunks) to carry us to our institutional round.

WEXNER SUMMITS

- **STEVE FADEM, NY-PROSKAUER:** Needs: A more welcoming political will to allow the private sector to solve the water issues we face
- **ITAMAR GROTTOWSLP16:** Connection to business sector
- **ODED GOUR LAVIE MC-MPA08:** for connections for partners and investors as well as strong academics in plasma physics etc.
- **DAVID ARFIN:** Want: stronger advocacy and continued awareness.
- **JONATHAN BERNSTEIN:** 2) I need people that want to help bring ESG investing to a wider audience
- **NIRALAMAY@GMAIL.COM:** I need a wider framework to contribute from my experience.
- **HAGAY CARMI:** looking for potential investors and customers in the mobility sector
- **NAOMI KATZ-LULAV, WIF CLASS 17:** I am a lawyer and prosecutor in the Israeli Ministry of Justice. I need other people's stories and experience relating to successful (and unsuccessful) community and municipal ventures relating to "saving" their neighborhood and city. What are your "lessons learned"?
